SCHOLARSHIP APPLICATION

Our goal is for all of us (you, Natalie, Nathan) to stretch a little in a scholarship agreement and meet each other in the overlapping space.

With this in mind, what size scholarship (in dollar amount) do you need to make this program possible for you to have the sense that you are being supported and respected, and to be in alignment with your own sense of self?

Is a payment plan applicable, appealing, and/or necessary to make joining this program possible and exciting? If so, what payment plan would best meet your needs? If you can, please list a dollar amount that you would pay per month, and how many months it would take to complete the purchase (ideally, within the length of the program).

Is there anything else you'd like us to know and understand?

What can we share with you that helps make this scholarship process easier?
